

Zone 7 - RFP for Solar Project & Energy Upgrade

Addenda/Clarifications

1. An optional site walk is being held June 14 and 15 (10am to 12pm and 2 to 5pm) at 100 N. Canyons Parkway, Livermore for interested respondents. Due to liability concerns, roof access will not be available. Exterior photos only are allowed (drones ok). Please email your preferred time in one hour slots to ssegura@zone7water.com. First come, first serve.
2. Additional questions will need to be in writing and will be answered via web posting.
3. The electrical room is located at the northeast corner of the building next to the carport and will be accessible.
4. Zone 7 anticipates remaining on A-10 TOU rate with PG&E.
5. Several documents including 15-minute energy use, single line diagram and PG&E use records have been posted on Zone 7's website.
