

North Canyons RFP for Solar Project Development

Addenda/Clarifications

1. An optional site walk is being held on December 1 at 10am at 100 N. Canyons Parkway, Livermore for interested respondents. Due to liability concerns, roof access will not be available. Exterior photos are allowed. Additional questions will need to be in writing and will be answered via web posting.
2. The vacant parcel south of the parking lot does not belong to Zone 7 and cannot be used in proposal design. Please refer to the parcel boundary in Attachment 1 of the RFP.
3. The electrical room is located at the northeast corner of the building next to the carport.
4. Zone 7 anticipates remaining on A-10 TOU rate with PG&E.
5. Several documents on 15-minute energy use, single line diagram, roofing details and soils report are attached.
