## Program Terms and Conditions for Participation

**Eligibility:** To be eligible for a rebate up to \$200, you must be a residential water customer of City of Livermore, City of Pleasanton, or Dublin San Ramon Services District with an active account in good standing. (If you are a Cal Water customer, visit [www.calwater.com](http://www.calwater.com) for rebate information).

Only clothes washers listed on the ENERGY STAR® Most Efficient Product List <https://data.energystar.gov/Active-Specifications/ENERGY-STAR-Most-Efficient-Clothes-Washers/d36s-eh9f/data> qualify for rebates. There is a limit of one rebate per household within a five-year period. Qualifying clothes washer must remain at the installation site for a minimum of six months after installation date.

Application (including all supporting documents) must be submitted within 60 days of purchase or installation. If using installation date, proof of installation may be required.

Clothes washers that are resale units, leased, rebuilt, rented, received from warranty or insurance claims, exchanged, won as a prize or have had new parts installed in an existing unit, do not qualify. Clothes washers with silver ion technologies and clothes dryers also do not qualify for this rebate. The rebate amount may not exceed purchase price (not including taxes).

**Rebate Processing:** This rebate is issued as a credit on your water bill from your water provider. It can take up to three months to receive a rebate credit on your water account. If an application is selected for an onsite inspection, additional processing time may be needed.

**Release of Liability:** I understand this signed and dated "High-Efficiency Clothes Washer Rebate Program Application Form", all appropriate proof(s) of purchase, and other required documentation as described in this application must be submitted with the application. I understand that the Agencies (Zone 7 Water Agency, City of Livermore, City of Pleasanton, and Dublin San Ramon Services District) may deny any application that does not meet the rebate requirements.

I agree to allow Agencies to inspect clothes washer installations as a condition to obtaining a rebate under this program. I will allow, if requested, reasonable access to my property to verify the installed product I have purchased before a rebate is issued.

I understand that this rebate program can end at any time and without notice. Further the rebate program may be suspended if allocated funds are depleted. Details, such as rebate amounts and eligible clothes washers, etc. are subject to change or end at any time without prior notice. Rebates are processed on a first-come, first-served basis and will only be processed until funds are depleted.

I understand installation of qualifying clothes washers may not result in lower water bill and the Agencies do not guarantee any clothes washer or installation to be free of defects. Nor do they guarantee the quality of workmanship, or the suitability of the premises for the clothes washer installation. I agree to indemnify and to hold harmless the Agencies and their respective Officers, Directors, Elected or Appointed Officials, Agents, and Employees against all loss, damage, expense, fees, costs, and liability arising out of or in any way connected with installation of a clothes washer.

I understand Agencies are not responsible for items lost or destroyed in transit through the mail or electronic medium. Original applications will become the joint property of the Agencies.

**By signing this form, I agree that I have read, understand, and agree to the terms and conditions of this rebate program.**
