NOW HIRING FOR:

## Water Resources Intern

*Come get your "feet wet" at Zone 7 Water Agency! Gain valuable work experience with an exciting paid Intern opportunity supporting our Water Resources Section!*

**SALARY: \$26.54- \$32.23 Hourly**

**THE AGENCY:** Zone 7 supplies treated drinking water to retailers serving over a quarter million people in the Tri-Valley area including the cities of Pleasanton, Livermore, Dublin and, through special agreement with the Dublin San Ramon Services District, to the Dougherty Valley area. Additionally, we supply untreated water directly to agricultural businesses for irrigation of 3,500 acres, primarily South Livermore Valley vineyards. We also maintain 37 miles of local flood-protection channels; about a third of all the Valley's channels and creeks.

**DUTIES:** This full-time paid summer intern assignment, approximately late May to mid-to-late September depending on the school schedule, will support the agency's **Water Resources** section by assisting with projects and tasks such as:

**Groundwater data collection, water quality sampling and analysis**, database management, and applying GIS to manage information and data. In addition, interns will accompany staff to conduct field inspections, well drilling inspection, and servicing climatology stations.

**Environmental compliance and water conservation programs.** including assisting with data compilation, mapping, and field work.
